

## REMARKS

This case has been carefully reviewed and analyzed in view of the Office Action dated December 7, 2005. Responsive to that Office Action, Claims 1 and 2 have been amended for further prosecution along with the other pending claims. With such amendment of the specification and Claims, there is a further clarification of the pending claims' recitations.

~~In the Office Action, the Examiner objected to the Specification for~~  
containing certain minor informalities. In response to this objection, the Specification has been amended accordingly to remove the noted informalities, thereby obviating the Examiner's objection.

In the Office action, the Examiner also objected to Claims 1 and 2 for containing certain informalities. In response to this objection, Claims 1 and 2 have been amended to correct for each of the noted informalities, thereby obviating the Examiner's objection.
